TERMS—On **Engines:** Where sold separately, 60 days net,
2% off cash 10 days.

All accounts bear 6 per cent. interest after maturity.

For payment of accounts after discount date, 1 per cent.
per month will be allowed for each full month paid before due.

CONDITIONS OF SALE

The purchaser hereby agrees with seller as follows:

1st. This order is not subject to countermand, after accept-
ance, except upon the payment by the party signing it of 10 per
cent. of the sum of the order as agreed.

2d. The order contained herein is accepted by the sellers,
subject to unavoidable delays, brought about by strikes, acci-
dents, fires or other causes beyond their control.

3d. That all implements hereby ordered are bought subject
to the usual manufacturer's warranty—"to do good work when
properly set up and operated"—and failing to do this after the
purchaser has used his best efforts, he will give immediate notice
to Bateman Manufacturing Company, and allow time for instruc-
tions to be given, or, if necessary, the sending of a person to put
it in order; failing then to make the implement work, it may be
held subject to the order of Bateman Manufacturing Company;
but under no circumstances will the undersigned return goods
without direction from Bateman Manufacturing Company. In
case the fault is not with Bateman Manufacturing Company, but
through neglect to follow directions, or carelessness in using, the
purchaser agrees to pay for the time and expenses of the person
sent to put it in order.

4th. That the prices, terms and conditions of sale on all
goods herein ordered, and all subsequent orders, by mail or
otherwise, shall remain in force until July 1, 1914, on all goods
except "Iron Age" Potato Sprayers, Hay Rakes and Potato
Diggers. The prices for Sprayers and Rakes shall remain in
force until August 1, 1914; on Potato Diggers, until October 1,
1914.

5th. It is expressly agreed that the right and ownership in
all goods shipped during the term of this contract, or the proceeds
of same, shall be vested in the seller, and subject to their order
until full payment shall be made for said goods.

6th. This contract may be determined by the seller, without
notice, if the buyer does not engage actively in the sale of "Iron
Age" tools; or for any other reason which may appear to the
seller to be sufficient cause for such action.

7th. All claims for shortage must be made within five days
from receipt of goods or no allowance will be made.

8th. All repairs are to be charged and paid for unless claim
is made with order that such repairs are to replace defective parts.

9th. The order given herein is subject to these conditions
and the terms noted on page 2.

NOTICE

A clear shipping receipt for goods relieves us from all responsi-
bility and places it with carriers.

If a shipment reaches destination either incomplete or dam-
aged, decline to receive it until your freight agent notes in writing
on the face of the expense bill the exact shortage or the exact
damage, as the case may be.
